Lieutenant General Wolfgang Korte, Director JWC, hosted this year's first "JJJ" meeting yesterday, September 20, which proved to be a resounding success. "JJJ" represents the three fundamental pillars of NATO's training, namely the Joint Warfare Centre, Stavanger, Norway; the Joint Force Training Centre (JFTC), Bydgoszcz, Poland and the Joint Analysis and Lessons Learned Centre (JALLC), Lisbon, Portugal.

For this purpose, Major General Rokos, DNK A, Director JFTC and Brigadier General Hansen-Nord, DNK A, Director JALLC came to Stavanger to discuss issues that are currently taking place within Headquarters Allied Command Transformation, as well as future coordination and teamwork between the JWC, JFTC and JALLC.

Mutual understanding

This meeting provided the basis for an improved mutual understanding, support and cooperation as well as a better coordination of the three Centres to the benefit of our customers.

The JJJ meeting was a resounding success for the future of three Centres.
